

Information for Clubs: Policies and Guidance

Date: 15 June 2015

Clubs are recommended to ensure that their committee members are aware of the policies and guidance available from Archery GB. Clubs are encouraged to use these documents rather than inventing their own.

Policies:

The National Governing Body's policies take precedence over all policies in place at an affiliated club. Key policies to be aware of are:

- Safeguarding Children and Young People
- Disciplinary
- Equality
- Anti-Doping

These and other policies can be found at:
